GOSPYA'S NEWS

- * Congratulations to CHARLIE SCLAVOS and MARIA PANARETOS (Dubbo) for giving logo recently. We wish you all the best and happy travelling!
- * We would also like to congratulate RICKY SCLAVOS and EMMANUEL MAGELAKIS on their logo announcement.
- * To our good friends Anna and Maria Conomos departing for beautiful far away places, we wish you good times, great sun tans, lots of shopping and more shopping. Have a great trip and return safely!
- * While watching a TV program, "Exploring Psychic Powers", a certain GOSPYAN COMMITTEE MEMBER put a broken cassette recorder in front of the TV in the hope of it being telepathically repaired! But was it repaired Jenny?
- * True dedication was shown when a certain past President of GOSPYA and other GOSPYANS travelled all the way to NSW for the PANASONIC CUP FINAL between the Broncos and Illawarra. With dedication like that amongst GOSPYAN membership, GOSPYA will no doubt become the foremost youth group in Australia!
- * We would also like to congratulate our Treasurer, Maria Callos and Terry Toumbis, on giving logo.
- * Congratulations on a new baby boy "Stelios" to Jim and Vicki Koutsis.
- * Two Past Presidents are congratulated on their wedding, best wishes to Luke Comino and Venesa Conomos.
- * We would like to congratulate the Seniors and Junior Youth on their fine efforts in raising money by donating a lot of time and effort at the Panayiri for the Parish benefit.
- * Best wishes on your engagement, congratulations IRENE STATHIS and ANDREW PAVLOU.
- * GOSPYA II is now in second position on the ladder, and also in one below The Gap. GOSPYA has defeated GOYA twice - CONGRATULATIONS BOYS! KEEP UP THE GOOD WORK!!!!!!!!!!
